### NOTES:

"GSX" models receive same replacement parts as "GS6" except "GSX" models receive Magnesium Anode.

"Top T&P" models that have "G" adder suffix, will receive same parts as "GS6" except "Top T&P" models receive outlet anode.

When using this list for State Private brand models - find the model number by dropping the "GS" prefix. Example: State - GS 6 40 YBRT 200 model less the "GS" prefix becomes State Private Brand models 6 40 YBRT 200.
