

2015 MANUFACTURER'S CERTIFICATION STATEMENT

State Industries certifies the following information related to tax credits provided under the American Taxpayer Relief Act of 2012.

Each State water heater model listed is a natural gas, propane, or oil water heater that has an energy factor of at least 0.82 or has a thermal efficiency of at least 90%. Accordingly, each is Qualified Energy Property and, when placed into service on or after January 1, 2015 and on or before December 31, 2015, each qualifies for the tax credit allowed under Section 25C of the Internal Revenue Code of 10% (up to \$300, subject to limitations set forth in Section 25C) of the purchase and installation (labor only) cost. If you have claimed previous tax credits in excess of \$500, you cannot claim any credit for improvements in 2015.

Qualifying Models:

Tankless

Each State water heater model listed below is an electric heat pump model that achieves a minimum 2.0 EF. Accordingly, each is Qualified Energy Property and, when placed into service on or after January 1, 2015 and on or before December 31, 2015, each qualifies for the tax credit allowed under Section 25C of the Internal Revenue Code of 10% (up to \$300, subject to limitations set forth in

Section 25C) of the purchase and installation (labor only) cost. If you have claimed previous tax credits in excess of \$500, you cannot claim any credit for improvements in 2015.

Each State water heater model listed below is a solar thermal model that achieves a minimum solar contribution of 50%. Accordingly, each is Qualified Energy Property and, when placed into service between January 1, 2015 and on or before December 31, 2017, each qualifies for the tax credit allowed under Section 25D of the Internal Revenue Code of 30% of the purchase and installation (labor only) cost (no cap).

We recommend that purchasers consult a tax professional regarding their tax situation and eligibility for this tax credit. A taxpayer claiming credit for Qualified Energy Property should retain a copy of this Manufacturer's Certification as part of the taxpayer's records, along with the receipt of purchase.

Declaration:

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct and complete.
